

softlips®

Softlips French Vanilla

Lip Protectant/ Sunscreen SPF 20

Hydrate your lips with Softlips French Vanilla. This fashionable slim line stick is the ultimate necessity for smooth, sensual, and attractive lips. Softlips lip therapy has a unique glide on formula, can be worn over and under lipstick or gloss, and won't melt in the sun. With its moisturizing properties & high SPF factor, it will protect lips from UVA and UVB rays to prevent dry, burnt, or chapped lips.

Uses:

- Assist in protection against chapped, cracked & windburned lips.
- Helps prevent sunburn.

Warnings:

For External use only
Stop use immediately & consult a doctor if:

- A rash develops.
- Lips become irritated and conditions worsen and do not improve within 7 days.
- When using this product, keep away from your eyes. Rinse with water should product make contact with your eyes.

Keep out of reach from

children: If swallowed, get medical help or contact a poison control centre right away.

Not to be used by children under the age of 6 years, consult with your doctor before use.

Directions:

Apply liberally 15 minutes before exposure to harsh environments, sun or as needed.

Reapply every 2 hours for best results.
